'The Gratitude Harvest' is an experiential learning space with a focus on harvesting gratitude, celebration and joy, through the perspective of a Needs-based Consciousness.

- Experience gratitude as an inner harvesting
- Connect deeply with yourself in moments of joy and celebration
- Learn to offer the gift of gratitude and appreciation with fullness and clarity to others

This workshop is based on the teachings of Marshall Rosenberg, and is open for all!

Date: August 23rd, 2015 (Sunday)
Time: 4:00 p.m. to 8:00 p.m.
Venue: Lajpat Nagar, New Delhi. (More details will be sent once you register.)
Contribution: Rs. 750 per person. (The contribution covers the logistical costs, chai and cookies, and a small trainer's fee.)
If money would prevent you from joining the workshop, please get in touch (contact details below). Let's talk!

Registration: https://goo.gl/T2vwFS

Facilitator: Manasi Saxena, M.Phil. (JNU, New Delhi), has been a student of NVC and other related modalities for four years, having attended a number of local and international trainings. She is actively involved in sharing NVC both as a part of EmpathyQuad and independently with enCOMPASSion.

enCOMPASSion

Trainings Based on Compassionate Communication for Individuals, Groups and Organisations
